

UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA

National Specialty Pharmacy LLC,

Plaintiff

v.

Maybelline Sana, et al.,

Defendants

Case No. 2:25-cv-00295-CDS-MDC

Order Striking Duplicate Filing

[ECF No. 10]

On March 3, 2025, pro se defendant Rayne Bridges filed a motion to dismiss plaintiff National Specialty Pharmacy LLC's complaint. ECF No. 10. Two days later, Bridges refiled the same motion. ECF No. 13. Given that the content of the motions is identical, except for the inclusion of Bridges's handwritten signature, it appears that Bridges was intending to file a corrected image. Because Bridges's recent filing includes a signature, the original motion to dismiss [ECF No. 10] is stricken as duplicative. National Specialty Pharmacy's response to the motion to dismiss (ECF No. 13) is due by March 17, 2025. All other original deadlines remain the same (certificate of interested parties due by March 13, 2025; discovery plan/scheduling order due by April 17, 2025).
